The parties, by and through their respective counsel, hereby stipulate to extend the dispositive motion deadline in this case to August 19, 2022. The extension is request because defense counsel's mother passed on June 17. Defense counsel is outof-state until at least the July 4 holiday weekend (possibly longer) grieving, participating in services, and assisting with the wind-up of his mother's affairs and commencement of probate proceedings. This the first request for an extension of this deadline since discovery has closed, although this deadline was previously extended
